

Child with Special Needs - Please Help Me

My name is _____ and I have special needs.

I may or may not speak. I do not always understand danger. I become lost easily and do not know that I am lost.

I may have outbursts involving self-harm in unusual ways. I do this particularly when I am stressed. However, I am not dangerous. I do not have the intent to harm anyone. Please help me.

My parents/guardians are: _____

My address is: _____

My parent's/guardian's phone number is: _____

My other emergency contact is: _____

Their contact number is: _____

If you found me in a store or other building with a public address system, please have someone call my caregiver or secondary emergency contact over the system. If they cannot be located, please call the police. Don't leave me alone or let me wander off!
